500M Light & Heavy Gun FLY
300 Metre Custom / Factory Class FLY

Batemans Bay Branch of SSAA will be hosting the "South Coast Championships FLY Shoot" on the weekend of the 10th & 11th February 2018 at the Deep Creek Shooting Complex (41/2 klm South of the Batemans Bay Bridge, turn right into SSAA road). The 500m Shoot on Saturday will be a registered match and count toward Shooter of the Year.

I am happy to advise that Luke Easter, as the owner of Procal Trading will be sponsoring this event. The 500m registered match on the Saturday is the sponsored match & there is a \$300 voucher offered as a prize. This can be used for any items from the Procal Store (or web site www.procaltrading.com) or for Gun Smithing services such as barrel fitting & chambering or bedding etc.

The Top Ten individual shooters from the days results will get an entry (one each) into a hat and a winner will be drawn at the presentation.

Luke has generously offered a \$50 voucher for Custom Class and a \$50 voucher for Factory Class as prizes for the Sunday event. These will be drawn via the same method as above.

Procal offers the full range of services, including full custom builds, re barrels, repairs, Lapua Brass & Projectiles, tools, presses, Redding & Wilson dies and I am sure lots more. Make sure you introduce yourself to Luke over the weekend, and if you shoot well you could have some money to spend with him....
