

## SSAA BRISBANE - QUEENSLAND 2019-2020

**500m Fly Prize Money \$2000.00**

**200m Fly Rimfire Prize Money \$1000.00**

The Pentagon Patch will represent five shots in the fly on any one target, and will be the most desirable accolade for any competitive Fly Shooter!

### RULES OF THE GAME:

- All 5 bullet holes must impact or break the line drawing of the Fly to register as a hit and the decision must be unanimous by all scorers.
- Must comply with official national rules for fly shooting & must be a certified SSAA Fly target with the correct dimensions.
- Must be a Brisbane Club sanctioned match with a minimum of ten competitors.
- Must be photographed and witnessed by a certified match official.
- Can only be claimed if shot at the SSAA Brisbane, Madden Range in Queensland.
- A Pentagon Patch and the prize money can only ever be won once by any one competitor within the competition period at each of the two distances (500m or a 200m fly comp). In summary any one competitor may only win the patch and prizemoney up to three times, once at each distance, during the competition period.
- For the purpose of this competition the patch and prizemoney may be awarded to a competitor shooting either a Light or Heavy Gun category.
- This competition is open to all SSAA Members, including sponsors and their associated entities.
- A \$50 fee will be applicable to any competitor that wishes to protest their target.

Given the lack of backing boards in the discipline it may be claimed that two shots went in the one hole, and understandably it does and will happen. To eliminate any doubt the 5 holes will have to be clearly defined using the correct calibre scoring plug fitted with a magnifying device. Figure eights, elongated holes and clover leaf shapes will be accepted, however to prevent a competitor deliberately pulling a shot and claiming all five are in the Fly, a two shots in the one hole scenario will not be eligible for this competition.

If a spotter saw the shot go in, and the shooter genuinely believes there are two shots in the one hole they can protest this with match officials in relation to their competition points, however the target will not qualify for the prize money, the title or the Pentagon Patch unless five non disputable holes can be verified.

The prize money will be paid into the winners nominated account within five working days after the official match date.

The "Five in the Fly" competition is only a SSAA Brisbane Club event and is only valid from Saturday the 20th of July 2019 until December 31st 2020.
